

This seems to be quite an unusual mode
of growth of wool thump. I have recently
received several specimens of it resembling
the one you have had the kindness to send me

Museum of Comparative Zoology.

Cambridge, Mass., May 28, 1863.

Dear Sir,

I have duly received the specimens
which you have forwarded to me, and
return you my best thanks for your
kindness in sending them. They have
been put up in our Museum under
your name.

Director of the Museum.

L. Agassiz

J. P. Hazard Esq.
